

picojson::serialize
_str_char::operator()

```
graph LR; A[picojson::serialize_str_char::operator()] --> B[picojson::copy]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'picojson::serialize' on the first line and '_str_char::operator()' on the second line. The right box is white with a black border and contains the text 'picojson::copy'. A dark blue arrow points from the right side of the left box to the left side of the right box.

picojson::copy
